**King Abdul Aziz International Competition Regulation**

**Preface**

All praise is due to Allah alone, may the peace and blessings of Allah be upon His Prophet Muhammad, his family, his companions and those who follow in their footsteps until the Day of Judgment. Having said that, the nation of Muhammad peace be upon him is the best nation, God sent to it the best messenger and revealed to him the best of His books and enjoined them to uphold it, comply with its clear verses and believe in the verses that have several meaning, and adopt the ethics of the Quran.

The Holy Quran is the great miracle and the great guidance for all people. It rectifies behavior and regulates life. Whoever seeks refuge in Islam is guided to the straight path. The Prophet (peace and blessings of Allah be upon him) said: "The best among you is he who learns and teaches the Qur'an." and said "The one who is proficient in the recitation of the Qur'an will be with the honorable and obedient scribes (angels) and he who recites the Qur'an and finds it difficult to recite, doing his best to recite it in the best way possible, will have a double reward." The Prophet also said "Verily, Allah elevates some people with this Qur'an and abases others." It is a gift of God that the Kingdom of Saudi Arabia has got a head start over other countries as regards the attention given to the Holy Quran in all respects. The blessed era of the Custodian of the Two Holy Mosques has witnessed a lot of attention given in this regard. We seek the help of Allah for more success and prosperity.

Whereas the Quran is the firm rope of Allah, it is the straight path and the wise remembrance, whoever observes will survive, whoever invites for embracing it undertakes his full duty, and whoever holds firmly is guided to the straight path;

Devotion to Quran was necessary, and it is acknowledged that the best ever party is the Quran Party (Quran Carriers/memorizers), with their (efforts) the faith is preserved.

Among this party the following Imams; Imam Al-Mahdawi, Imam Al Dani, Imam Al Shatebi, Imam ibn Al Jazeri, May Allah be pleased with them all. They have established by through their efforts in verification the Qur'anic letters. Allah ordained His Prophet to recite the Quran and this is evidenced in the following verses:

*“And those who disbelieve say, why was the Qur'an not revealed to him all at once?/ Thus [it is] that We may strengthen thereby your heart. And We have spaced it distinctly”*

*“and recite the Quran with measured recitation”*

When Imam Ali bin Abi Talib was asked about the meaning of *Tarteel* "recitation", he said the points of articulation of Quran'ic letters and the knowledge of *Wuquf* (when to stop while reading verses).

Thus, the reader of Qur'an must be precise and informed.

Sheikh Mohamed Mohamed Elsayed Hassanein Gebril (AKA: Mohamed Mohamed Gebril) requested from me hearing his recitation of Quran.....

I responded to his request, and he commenced reciting the Holy Quran from the beginning till the end and I kept listening to his recitation. He, May Allah reward him abundantly, read the whole Quran depending on his own memorization as if he is reading *Al Fatiha* Chapter, May Allah keeps the blessing of mastering the Quran recitation. He recited according to elocution rules (*Al Tajweed*), including Izhar (manifestation) Idgham (merging), and the points of articulation of letters, manners of articulation, Tafkhim wa Tarqiq (thickness and thinness), and Qat'e (pausing) and with additions and omissions, he showed mastery and compliance with the rules. After being contended with his recitation, I ordered him to recite in the same canonical style for the audience.

This canonical style in recitation is Hafs Ibn Solaiman IbnAl Mughira Al Asadi Al Kudi's method.

### **The Narration Chain**

Before hearing his recitation, I sought certification to from His eminence Sheikh Mohamed Salem Ibrahim Jubail at Kafur Najm County, As-Sharqiya Governorate, and my Sheikh stated that he was certified by our professor and Sheikh Ibrahim Said who was certified by Sheikh Mohamed bin Mohamed bin Ahmad Al Anani from Tanta, where Sheikh Ahmad Al Annai was certified by his Sheikh and educator Sheikh Hassan Al Jarissi, the then-major scholar of Al Azhar, as I was informed by my Sheikh.

Mr. Abdurrazziq As-Sayed Al Bakry  
Instructor at the Islamic College of Girls  
The Sheikh of As-Sayyida Zainab and As-Sayyida  
Aisha Quran Reading School

Sheikh Hassan Al Jarissi reported to his student Sheikh Al Anani, that he received the recitation of the Holy Quran from his eminence Sheikh Mohamed Metwalli, the-then head of Egyptian Quran Reading Schools.

The second narration chain to certify Sheikh Mohamed Mohamed Elsayed Hassanein Gebril (AKA: Mohamed Mohamed Gebril), is that I have recited the Holy Quran before my Sheikh Ahmad Abdul Moneim Mustapha Al Ashmouni from Ashmouneyeen Village, Malwa Province, Al Minya Governorate, who was residing in Omar Shah Alia Alley, Sayidda Zaeinab zone, Cairo where he also received his certification from Sheikh Ahmad Abdul Aziz Az-Zayat, who informed him that he received the certification from Sheikh Abdu Fatah Al Hindi who received his from Sheikh Al Metwalli.

These two chains are connected in transmission with the most erudite savant, the learned man, the authority, the expert, the unique one of his age, and the peerless one of his days the late Sheikh/ Al Metwalli, May Allah have mercy upon him and benefit us from his knowledge. **Praise be to Allah the Most Gracious and the Most Merciful**

**Whose help we seek**

All praise is due to Allah, the Lord of the worlds. May Allah's peace and blessings be upon Prophet Mohamed, his family and companions.

Praise be to Allah who encompassed in the Glorious Qur'an the treasures of meanings and the pillars of knowledge facts, disclosed the clues and secrets of His book to whom He has chosen from his creation, so they would deduce from it what is hidden in implications and statements. He has chosen from among his servants who to memorize His book and inspired them to observe its commands and ethics. I thank Allah for blessing us with carrying His book, and all praise is due to his guidance to the righteous path.

I bear witness that none has the right to be worshipped except Allah alone, a testimony I preserve till Doomsday and Day of Judgment and I bear witness that Mohamed is His servant and messenger, the most favored of his creatures, May Allah bestow his blessings and prayers upon him, his family and his companions; the men of understanding to whom I give much recognition.

To proceed .., the mother of all sciences is Qur'an elocution (Tajweed), for it abounds in denotations on all sciences, particularly that weighty examiners and major scholars were devoted to its studying; divulged its pristine secrets, and apprehended it clearly.

Ibn Al Jawzi said in his "*Tayyibat An-Nashr Fi Al Qir'at Al Ashr*" (The interpreting guide of the ten reading ways of The Holy Qur'an):

"The carrier of the Qur'an is the most noble person in the Nation. And the meritorious of all good"

Whereas the Qur'an is the greatest revealed book; it was revealed to the best ever consigned apostle, where his nation is the best ever to be brought forth for people, and its memorizers are the noblemen of the Nation.

Ibn Abbas quoted Prophet Mohamed (Peace and Blessings be upon him) as saying, "*The nobles of my nation (Ummah) are the carriers of Holy Qur'an and night vigilants.*"

And At-Tabarani narrated:

Ibn Mas'oud quoted Prophet Mohamed (Peace and Blessings be upon him) as saying,

*"The best among you is he who reads the Quran and teaches its recitation"*.

And Al Bukhari narrated:

Othman quoted Prophet Mohamed (Peace and blessings be upon him) as saying,

*"The best among you is he who learns and teaches the Quran."*

In Jami' at-Tirmidhi (The collection of Hadith by Imam Al Tirmidhi"  
Abu Masoud quoted Prophet Mohamed (Peace and Blessings be Upon  
Him) as saying:

Allah the Almighty Exalted be He said: *Allah says: whichever person is kept away from My remembrance and from asking Me on account of the Qur'aan, then I shall grant him better than that which I grant to those who ask and in comparison to all speech, the speech of Allaah has the honour and greatness that Allaah has over the creation. (Similarly, those who are involved in the Qur'aan have superiority over those who are involved in other things)."*

Prophet Mohamed (Peace and Blessings be Upon Him) said: Whoever recites the Quran, and thought that someone's blessing is greater than his blessing (The Quran), he underestimates what Allah glorifies.."

Prophet Mohamed (Peace and Blessings be Upon Him), said, "Whoever has memorized the Quran has carried a great thing, Prophethood has been embodied between his shoulders even though no revelation has come to him"

He also said: "He who collects the Quran, Allah grants him a lively mind until he passes away"

And in other hadith, "The greatest intercessor to Allah in the Day of Judgment is Quran, neither a Prophet nor an Angel and no one else."

He also said: "Whoever dies while reading the Quran, Angels will visit his grave like pilgrims visit Kaaba."

The one may find a plenty of hadiths about the reward of Quran recitation.

These canonical styles of recitations were reported to us in both narration and recitation, along with the chain of transmitters and narrators. I wish that the honorable applicant for certification would recognize the blessings bestowed upon him and major grace and continue studying Allah's book, and I enjoin him to be humble for he ever seeks certification in recitation, he shouldn't confine his efforts to this level but look forward for promotion, as God Almighty ordered his beloved Prophet (Peace and blessings be upon him):

"Say, "O my Lord! Advance me in knowledge" and his knowledge should lift his morals.

I do hereby advise him as my Sheikhs advised me, to be pious secretly and publicly, in order that Allah would preserve him and guide him to the Truth when he is bewildered, and to abide by the verses he reads.

I swore at him to confess error of judgment when committed and not to follow the whims of the self, and to show mercy to young people and elderly and to forgive.

Which in turn hurts him, if any, and he should be tolerant and patient, void of ailments, and his possession is forgiving his oppressor and love all goodness to all his brothers, never disgrace them, and he must have a pure tongue.

Humbleness upgrades him, and invokes blessings, Allah's mercifulness and I beseech Allah to make The Quran my and his witness and renders His blessings upon us.

I request from Sheikh Mohamed Mohamed Elsayed Hassanein Gebiril to remember me in his good prayers and supplicates Allah to preserve my faith, render His forgiveness and purify me from sins, and gathers us and all our beloved ones in the abode of peace, where Allah is the only Knower.

We beseech Allah to guide us to the righteous path in say and act, and blesses, saves us from offence. Allah is the only All-Powerful and the Omnipotent. And Peace and blessings be upon our Prophet Muhammad.

☞ The IUMS Union requires of its members to be adorned with some attributes and characteristics to be distinguished with from others, such as the following:

☞ Islamic:

IUMS is purely an Islamic Union, is composed of Muslim scholars, works to serve the Islamic issues, derives from Islam its approach, and is guided by it throughout all of its steps; It is to represents all Muslims of all sects and denominations.

### ☞ International:

IUMS is not a local or a regional union, neither an Arab nor a national one, neither an eastern, nor a western union; rather, it represents all of the Muslims in the entire Islamic world, as well as all of the Muslim minorities and Islamic groups outside of the Muslim world.

### ☞ Popular:

IUMS is not an official government institution; rather, it derives its strength from the confidence it earns from the world's citizens and the Muslim masses. But still, IUMS is not hostile to governments; it rather strives to open windows of cooperation with them for the good of Islam and Muslims.

### ☞ Independence:

IUMS does not follow a certain country, group, or sect; it is only proud of belonging to Islam and its transnational community - Ummah.

### ☞ Scholarly:

IUMS is an institution for the Ummah's Scholars; it is then not surprising that it has interest in knowledge, its teaching, and its education; has interest in our scientific heritage, in its revival, in achieving even more therewith, and an interest in the full dissemination of that all.

### ≡ Advocacy:

TUMS is an institution concerned with the call (Da'wah) to Islam by tongue, pen, and every contemporary legitimate medium; be it recorded, audio, or visual. TUMS is committed to the Qur'anic approach of calling the people through wisdom, through beautiful preaching, and through the best of discourse.

### ≡ Moderation:

TUMS does not slant towards exaggerations and excesses, nor does it tilt towards default and negligence, but rather it adopts the centermost approach of the centermost Ummah, an approach of mediation and moderation.

### ≡ Vitality:

TUMS does not depend on slogans and banners; it rather focuses on action and on building. It is led by a rank of scholars esteemed for their jurisprudence in religion, their integrity in conduct, their courageous outspokenness for the truth, their independence in decision-making, and their acceptance among the Muslim masses.

### ● Acceptance:

Yet, Social and Global acceptance are very important part of union's vocabulary.

They have also given rise to a nearly universal sense of optimism about what lies ahead for this community.

There is no doubt that there already exists a list of Islamic institutions in the Islamic world, that deal with different types of scholastic, Islamic Call (Da'wah), and charitable activities, but this one is truly different from all that exists.

## ◆ Imām - Qāri's Wishes

*Sheikh Muhammad Jibril says:*

*"All Praise is for Allah who honored me to lead prayers and to be Imām of his ancient Mosque, the Mosque of Amr ibn al-As (al-Jamie'al-Ateeq), which is established by more than eighty companions of the companions of the Messenger of Allah, Peace be upon him.*

*All Praise is for Allah who honored me to lead prayers and to be Imām at the Islamic centers of the most countries in the world.*

*I still wish to lead prayers with Muslims at the two holy Sanctuaries Mosques:*

*Masjid al-Haram & Al-Masjid al-Nabawi; and at Al-Aqsa Mosque, which is the first of the two Qiblas, and the third of the two holy Sanctuaries.*

*I ask from Allah during each prayer to liberate Al-Aqsa, to return it to the Muslims, and to bestow on us a prayer in it."*

“ *All Praise is for Allah  
by whose favour good works are accomplished.  
All Praise is for Allah  
who bestowed upon me so much blessings  
and enabled me to do some services to the Holy Quran..  
"Qur'an's Bearers are the Nobles of this Ummah",  
and "The best amongst you is the one  
who learns the Qur'an and teaches it.", as our Beloved,  
Peace and Blessings of Allah be upon him, said.* ”

“  
*And still our offerings will be  
in a continuous stream in abundance  
with the book of our Almighty God,  
till we meet Him blessed with His contentment.  
I ask Allah to consider them as a benevolence  
to ourselves, to our offspring,  
and also to everyone who loved us for His sake ...*
